ABOUT ME

I am a tinkerer at heart, passionate about all forms of technology, both hardware and software. I have experience writing both backend and frontend applications in addition to architecting distributed systems. I love to learn and cheer on my peers when they succeed. I strive to find beauty and meaning in everything I do. *This* is where passion finds its roots!

CERTIFICATIONS

Amazon Web Services *July 2021* **AWS CERTIFIED CLOUD PRACTICIONER**
Earners of this certification have a fundamental understanding of IT services and their uses in the AWS Cloud. They demonstrated cloud fluency and foundational AWS knowledge and are able to identify essential AWS services necessary to set up AWS-focused projects. [Click here to learn more.](#)

WORK EXPERIENCE

George Fox University *Fall 2020–Spring 2021* **LAB ASSISTANT**
Working as a lab assistant in the Computer Science lab. Duties included helping students understand concepts from introduction to high level courses and assisting professors with events.
Reference: Dr. Brian SNIDER · +1 (503) 544 2725 · bsnider@georgefox.edu

JNJ Software LTD *January 2019–July 2021* **FULL-STACK SOFTWARE ENGINEER**
Developed several REST APIs, web dashboards, and a fully-distributed web scraping platform. Read about these projects and more at treymoen.com
